**SUBJ: PLAINTIFF'S OFFER OF CHANGE OF VENUE
1:18-cv-08653-VEC-SDA**

Your Honor,

1. As you may be aware the Defendant has filed motion papers known as ECF number 239, dated 4/11/2021. In said papers the Defendant seeks to stay discovery pursuant to Section 76(a) of the New York Civil Rights law and "CVP 3211(11)(g)(3)".
2. Since approximately February 13, 2021 (as indicated in the attached South Carolina police report) the Defendant no longer resides in the State of New York. Presently, the Defendant is engaged social media video podcasts that document his "road trip" to Hollywood, California (his former residence). The Defendant has not created any video content in the State of New York since approximately 2/13/2021 (see Port of Charleston, South Carolina police report – attached).
3. It is believed that the Defendant has resided in the State of California for a consecutive thirty (30) day period, creating an issue as to the Defendant's true residence.
4. If it please the Court, the Plaintiff voluntarily can submit a motion for CHANGE OF VENUE of this action from the Southern District of New York to the federal court serving Oakland, California.
5. Such a change of venue would be more convenient for possible witnesses to include Manuel Chavez, III (Carson City, Nevada) and Thomas Schoenberger (Provo, Utah).

Signed this twelfth day of April (4/12), 2021.

Respectfully,

D. Geo. Sweigert

NARRATIVE	While patrolling the Wando Welch Terminal at approximately 1100 hours, I was notified via radio by Access Control Officer [REDACTED] there was an individual holding an umbrella filming outside the gate directly in front of the Wando Welch sign. I notified the South Carolina Ports Authority (SCPA) Port Police Headquarters I was responding at that time. I activated my body camera, which I had just removed from the camera dock, while responding, and arrived on scene at approximately 1108 hours. I observed a [REDACTED] in color [REDACTED] holding both a black and white umbrella with the words 21st Century 3D on it, and a selfie stick with what appeared to be a smart phone attached to it. The [REDACTED], later identified at Jason Goodman, was wearing glasses and a black in color zip up jacket. Upon making contact with Mr. Goodman, he stated he was a YouTuber and was making a broadcast. He further stated it was about an incident purported to have occurred on the Maersk Memphis on 14 June 2017. Mr. Goodman further stated someone had reported to him the possibility of radiological material on the Maersk Memphis at the aforementioned date. Mr. Goodman was informed

it was against U.S. Coast Guard policies to film or photograph on the terminal, and was asked for his drivers license. Additionally, he was informed the location where he was filming was private property. He willingly surrendered a New York drivers license, which when ran through NCIC came back clear, and volunteered to leave the property. When asked what YouTube channel he was filming for, Mr. Goodman stated it was for Crowdsourcing the Truth. Further investigation also revealed he is a contributor for the YouTube channel 21st Century 3D or 21c3D. Mr. Goodman did ask me if I had any knowledge of the aforementioned incident. I advised him to contact the South Carolina Ports Authority Public Affairs for further information. Mr. Goodman stated he had attempted to contact them, but had not hear back. Upon reviewing CCTV video footage at SCPA Port Police Headquarters,
